L is for Leaf

Trace, hunt, and notice. A nature letter page from the Early Literacy Pack.

1. Trace the letters (start at the dot)

Now try your own:

2. Circle the things that start with L

leaf

ladybug

acorn

log

(Acorn is the sneaky one. It starts with A!)

3. Outside hunt: tick what you find

☐ a leaf ☐ a long stick ☐ something little ☐ something light

Draw or stick your favourite find:

Grown-up tip: Say the sound, not the letter name: "/l/ like leaf." For little ones, finger-tracing or pointing counts. Stop while it's still fun.
